Welcome to WikiLectures: your space to create and store medical study materials. There are currently 1,595 articles published.

Imagine your medical studies without carrying and studying tons of books. Imagine a world where students and teachers cooperate to create reliable, recent and dynamic study materials. Imagine WikiLectures. :-)

Attention

We are currently working with over 100 active students of the Czech and English Parallel to update Wikilectures.

If you are interested in helping out contact our main organizer MUDr. Otakar Raška, PhD to be part of the team!

Main organizer for 1.LF UK: MUDr. Ota Raska (<https://en.lf1.cuni.cz/contacts?nContactID=97453>), PhD (raskaota@gmail.com)
